Brief Description:

One-story, painted brick warehouse building with a slightly stepped parapet with a metal cap. The building is of the 6-course common bond. The length of the façade (S) is sheltered by a pent, metal awning. The right front has one-half of an 8-light and panelled garage door, the other half has been bricked in. 9-light and 6/6 wood-frame, double-hung sash form a clerestory with rowlock and continuous concrete sills. The original shed or flat roof porch line is evident on the façade, below the clerestory level. The remaining lower wall has a variety of 1/1 wood-frame windows, 9-light wood-frame windows, modern or original garage door, a 1-light and 1-panel wood door with a 1-light transom. All windows with rowlock sills. There are sliding, corrugated metal garage doors on the RR elevation (W)
