Brief Description:

One-story, painted scored brick with a gable-on-hip roof of asphalt shingles on a brick foundation. Two, painted brick, interior chimneys pierce the roof. There are also boxed eaves and plain, wide cornices. A front-facing gable creates a centered portico on paired, painted scored brick columns atop painted, brick piers. The gable is pedimented with asbestos-cement shingles in the gable end. A centered 9-light Craftsman entrance is under the portico, and flanked outside the portico by a 3-part, 9/1 Craftsman-type wood-frame window with concrete sills. There is a triangular louvered vent in the gable-on-hip.
