Brief Description:

One-story, asbestos shingle siding with a front-gable roof of asphalt shingles on a brick foundation. There is a rectangular, louver vent in the gable end. A half-width porch is on the S façade, under a stepped gable on battered, wood posts atop brick piers connected by a knee wall with a concrete cap. The façade is 3 bays, with a centered, 3-light modern, wood door, flanked under the porch to the left by paired windows and to the right by a single window. Windows are 3/1 wood-frame. A porte-cochere is to the far left, on the W elevation under a side-gable atop battered, wood posts on brick piers with a knee wall. There is one interior brick chimney.
