**Brief Description:**

One-story, painted brick with a front-gable roof of asphalt shingles on a brick foundation. There is one, interior, brick chimney on the roof, and board-and-batten in the gable ends. The façade (W) is partially sheltered by a stepped front-gable porch, which is supported by modern, fluted columns. The main entrance is an off-center, 15-light wood door with 10-light sidelights and an 8-light transom. To the left are paired windows. To the right, outside the porch, are a single and paired window. All windows are 9/1 wood-frame with concrete sills and applied shutters. The original façade is on the S elevation. Here a front-facing gable projects to the left with 4 windows, while a secondary slope porch on modern, fluted columns fills in left to right. Two 9-light and 3-panel wood doors with 3-light transoms are separated by paired 9-light wood-frame windows. The doors are flanked by paired 9/1 wood-frame windows.
