Brief Description:

One-and-a-half story, painted brick bungalow with a front-gable roof of asphalt shingles on a brick foundation with a soldier course water table. The façade (E) is mostly sheltered by front-facing gable with wood siding and a 3-part, 9-light wood-frame window in the gable end. The gable is supported by brick columns atop low brick piers connected by a knee wall, all with a concrete cap. 2 fluted columns have been added atop two of the middle piers, either replacing original, battered columns or where none had previously stood. Under the porch are 3 symmetrical bays with a 15-light wood door with 10-light sidelights and a 6-light transom, which is flanked by a single 9/1 wood-frame window to the left and a 3-part, 9/1 wood-frame window to the right. All windows have concrete sills. The house has open eaves and exposed rafters.
